Dear Friend of Holy Family Radio,

Thank you! Thank you and all the listeners and supporters of Holy Family Radio! The 2018 Radiothon was the second most successful in our history! We will soon be celebrating 20 years of broadcasting in the Louisville area and, God willing, we will do so with additional signal coverage in the east end.

We have so many people to thank! Archbishop Kurtz made a guest appearance and we all had a good chuckle when he misspoke that he was going to contribute \$250 "thousand" dollars. Oops! (-: Our hosts this time were wonderful -- Andy Mangione, Deacon Greg Gitscher, Bob Baker, Mike Janocik and Fathers Leger and Naylor, all did a great job! We can't thank them enough! Likewise, we had over twenty really great guests representing a variety of local Catholic organizations and parishes. Thanks to each one of them!

The winner of the condo rental was Jeff and Brigid Flood. A grateful thanks to all who donated enough to be in the drawing. It certainly was a successful part of our effort!

We received just shy of \$42,000 in new and renewed pledges. We will certainly be on the air another year. We will also be able to set aside some for the building of the translator and tower in eastern Jefferson County. For the next few months, that will be a big focus for us. While it is short of our goal of paying up front for the translator, there is enough in pledges to start the construction process. If you know someone with property near the Gene Snyder and Shelbyville Road, who could tolerate a modest tower on the land, please let us know.

If you are able to do so, we are still in need of extra support for this project. Please consider giving a little more than usual or inviting other people to join the effort. Thank you for another successful Radiothon. May God reward us all!

Sincerely,

for Holy Family Radio
